

CELEBRATING 40 YEARS

ABOUT US

Rastelli Foods Group is a vertically integrated, global food processing and service company. Owners, Ray and Tony Rastelli have built a multi-faceted family of companies with a focus on superior quality, optimal efficiency and competitive pricing.

As an industry leading corporation supplying the finest hotels, restaurants, institutions and retail markets with premium meat and seafood products from state-of-the-art USDA-inspected facilities, our ability to provide customized food solutions is what makes Rastelli Foods Group the ideal partner.

Our product portfolio includes everything from Black Angus and Organic Beef to Sushi Grade Seafood and Chef-Seasoned Chops.

Our services range from Culinary Development and Menu Planning to eCommerce and Global Distribution. Our family is passionate about food.

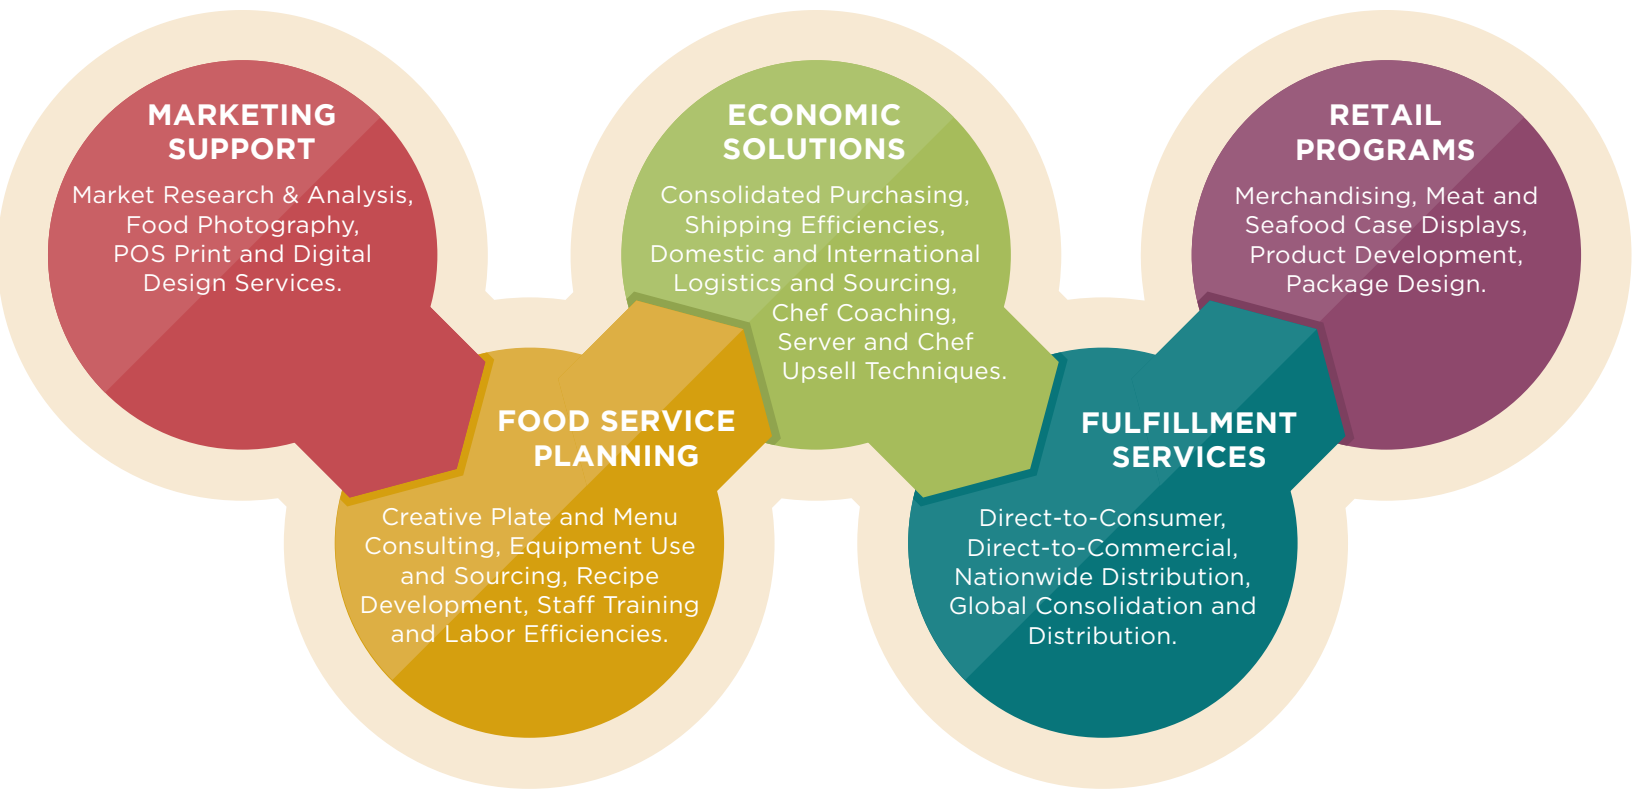

OUR RECIPE FOR SUCCESS

CAPABILITIES

Rastelli Foods Group gives you access to a full range of food service solutions custom designed to fit your needs.

With the ever increasing costs in the food industry, improving your efficiencies is vital to remaining competitive (and in business).

At Rastelli Foods Group, we don't just provide quality products, we offer innovative solutions through exploration and creation. Our sales, marketing, culinary, quality assurance, production and fulfillment teams work seamlessly to help you save crucial time and resources through better product, service and staff utilization.

CONTINUITY

Rastelli Foods Group adapts quickly and efficiently to the ever-changing foodservice, retail and ecommerce markets. Our ability to stay on the cusp of food innovation comes from the production of and access to the highest quality products coupled with advanced logistics and distribution systems.

STATE-OF-THE-ART FACILITIES

RASTELLI FOODS

Meat & Seafood Processing

Rastelli Foods is a world-class provider of fine foods; setting the standard in quality, cleanliness and safety.

Our USDA, FDA, FoodChek and SQF Level 3 certified meat and seafood processing facility is a leader in food safety; including ozonated water systems and daily pathogen batch tests to ensure overall wholesomeness.

Certifications:

RASTELLI GLOBAL

Global Logistics & Distribution

Rastelli Global services countries all over the world as an international consolidator of food and beverage products, national brands, and restaurant supplies. Countless custom orders are managed and processed daily through our USDA certified consolidation and fulfillment center; specializing in container shipment optimization.

RASTELLI MARKET FRESH

Retail Stores

Rastelli Market Fresh offers the same high quality foods that Rastelli Foods Group has supplied to premier restaurants and top Chefs around the world. Each storefront maintains our unwavering standards of serving the absolute best products possible while also offering the convenience of an everyday grocery store.

FOOD SERVICE

Rastelli Foods is a world-class provider of fine foods; setting the standard in quality, cleanliness and safety from each of our food processing plants. We hand-trim, process, pack and ship our meats in state-of-the-art facilities that allow for increased safety and quality control.

Rastelli Foods features premium quality beef, seafood, pork, veal, lamb, poultry and game products as well as a full line of kitchen-ready foods for use in the food service of the top restaurants, pubs, bistros, universities, hospitals and other food service entities in the world.

RETAIL

The Rastelli brothers began in the retail business with specialty butcher shops and a Love of Great Food. Today, we bring more than 40 years of foodservice experience in cutting and packaging to grocers, club stores and other retail outlets. The same products and high standards that made Rastelli a leading name in quality meats and seafood for chefs around the world, are now available for retail distribution.

We have the ability to provide products based on dietary restrictions and customer needs, including including organic grass-fed beef, authentic Black Angus premium beef, Rastelli Preferred™ affordable steaks and chops, as well as sustainable and wild caught seafood.
