The Pioneers of Plant-Based Food

Over 25 years of taste-obsessed development available in the USA

The VBites Group is the world's leading manufacturer of meat, fish and dairy-free vegan substitutes. Distributed worldwide and comprising six reputable sub-brands, no other 100% vegan company comes close to us in size or product mix.

Through our taste-obsessed research and development, we are focused on delivering a wide variety of delicious and healthy meat, fish and dairy substitutes to satisfy the most discerning reducers.

Our mission is to deliver all of the taste and texture but without the harmful dietary, environmental, welfare and sustainability drawbacks of pastoral agriculture and fishing.
