

RASTELLI

FOODS GROUP

3 GENERATIONS
FAMILY OWNED

WHERE WE'VE BEEN

From humble beginnings in a small retail store called *The Meat Stop*, to a vertically integrated, global food services company, Rastelli Foods Group has been at the nucleus of food management since 1976. Brothers Ray and Tony Rastelli have built a thriving and multi-faceted family of companies with a focus on superior quality, food health and safety.

Today, we operate retail locations, state-of-the-art USDA inspected processing facilities, warehouses and distribution centers. This growth includes a portfolio of brands that provide a wide array of products and services to many countries around the world, including: Beef, Pork, Veal, Lamb, Poultry and Seafood.

We've set strict quality standards, which are consistently reinforced by our in-house Quality Assurance team. This commitment to excellence is what allows our products to be served by households as well as the leading chefs, restaurants, hotels, resorts, institutions and retail markets worldwide.

RETAIL

Where Rastelli Foods Group was born.

The Rastelli brothers began in the retail business with specialty butcher shops and a love of great food. Today, we bring 45 years of expertise in cutting and packaging to grocers, club stores and other retail outlets. The same products and high standards that made Rastelli a leading name in quality meats and seafood for chefs around the world, are now available for retail distribution.
